SHRI P. UPENDRA:

Will the PRIME MINISTER be pleased to state:

(a) whether it is a fact' that Government have proposed 50 per cent excise relief for five years for new cement units and for existing units on expanding capacity;

(b) whether I.C.I.C.I. has recently estimated ex-factory cost for new units at Rs. 3400 per MT and final market price of Rs. 2688 per MT or Rs. 134.50 per bag;

(c) whether it is a fact that cost of expansion project of Vikram, Jaiprakash and Indian Ravon that started production in 1991, is around Rs. 1450 per tonne, and taking inflation into consideration ex-factory cost may come to Rs. 1850 per tonne;

(d) whether new plants can achieve 20 per cent savings apart from drastic cut in labour cost, vital concessions of sales-tax decline in interest rates etc., that would result in Rs. 90-100 per bag ex-factory price; and

(c) if so, what are the reasons for making proposal for 50 per cent excise relief to new and exoanding units?

THE MINISTER OF STATE IN THE MINISTERY OF INDUSTRY (DEPARTMENT OF INDUSTRIAL DEVELOPMENT (SMT. KRISHNA SAHI): (a) In view of the ensuing Budget, it is not possible to indicate the views of the Government in this regard.
